淺草觀音寺 - 建於1960年代，是現時的舊江戶區，寺內有一尊觀音像給善男信女供奉。傳說西元前628年，一對漁夫兄弟意外撈到一尊觀音小佛像，後來供奉寺內，此城經一場大火後，此寺分毫不損，因此它被當時人民十分信奉。

仲見世街 - 是由雷門通向寶藏門及正殿的一條300餘米長的參道。道路兩側是一排排自江戶時代延續下來的大小店鋪，出售日本最具特色的各式各樣的旅遊紀念品、民間工藝品、和服以及日本人喜食的小吃。給親戚朋友捎帶日本的禮物或紀念品回去送禮，建議在這裏物色選購。

彩虹橋 - 全長1700公尺，銜接台場與芝浦的美麗橋樑，是台場的標誌，也是日本偶像劇的勝地，曾經以此為背景的偶像劇真不知有多少，更可以眺望東京港美景。

台場 - 位於東京灣畔臨海副都心，是東京近年熱門遊覽地，環境優美怡人，無人駕駛電車〔百合海鷗號〕、彩虹大橋、富士電視台等都是這區的代表，而且常是日劇取景的地點，故漸漸成為年輕人的遊樂好地方。

伊豆國立公園十國嶺 - 一片蔥鬱翠綠的樹木、景色壯觀的延綿群山、還有熱氣騰騰的湧流溫泉，以及大自然清新、溫馨的空氣，一年四季吸引了無數為之陶醉的遊人。在此您可遠眺箱根及伊豆景觀，天氣晴朗的情況下，相模灣、駿河灣、富士山等風景盡在眼前。

大室山纜車 - 大室山海拔高度有581公尺，推測距離現在最近一次的火山活動大約在5000年前。大室山約有100多種山區野生花草在四季開放，搭乘雙人吊纜約5分鐘可到達山頂，山頂為鉢形火山口舊跡，直徑約300公尺，深70公尺，周圍約1000公尺，可沿周圍稜線360度展望天城土箱根、伊豆七島等山海自然美。

精選景點

淨蓮瀑布 - 瀑布高25米，闊7米，此瀑布還有一個美麗的傳說。在此賣一個關子，讓導遊為大家解說。

依豆舞娘像 - 日本著名作家川端康成筆下的愛情故事之紀念像。

河津觀景浪漫火車 - 下田到熱海之間的歐式觀景浪漫火車，全線可以欣賞到伊豆海岸〔下田至熱海〕的美麗景色；美麗湛藍的伊豆海洋就在眼前，寬闊的視野讓您將美景盡收眼底並充分感受度假勝地的美景氣氛。特別為觀賞伊豆風景而設計的歐風車廂，讓您處處覺得日本人的用心，也讓您體驗另一種旅行的樂趣。

城崎海岸 - 城崎海岸是由火山溶岩型成的里阿斯式海岸，此處海岸長約9公里，是當初天城火山爆發時，火山溶岩流入相模海灣時所形成，是一個典型的溶岩台地，溶岩受到海浪的沖擊侵蝕形成數十米高的絕壁，是當地的特有景觀。

鎌倉 - 鎌倉幕府是日本史上第一個幕府時代〔1185-1333年〕。這約一百五十年的時間，鎌倉是日本實質的政治和文化首都。鎌倉擁有眾多氣派非凡的寺廟、古蹟及藝術作品，與奈良、京都并稱日本三大古都。

鎌倉大佛 - 高11.3公尺〔不包括底座〕，重93噸，慈眉善目，氣勢磅礴。1252年建造時，工匠刻意讓佛像的五官脫離正常比例，遊客應該站在佛像前4-5公尺處才能看得出整體的莊嚴與靈性。

橫濱玩具博物館 - 是一所古色古香的洋式建築，館內陳列著1890至1960年代的有趣玩具，終年吸引了不少年青老少。館內陳列超過16000款有趣的古董玩具，置身其中，必令你大開眼界。

SCENERY

Asakusa - The Kannon temple was originally built in 645 in old Edo district. A revered Buddha statue inside the temple is associated with a very old legend. The legend said that in 628 BC., a pair of fish men brothers found a little Buddha statue in their net. They took this statue to the temple for people to worship. The city was later destroyed in a big fire, but the temple was not harmed. From then on, the temple and the Buddha statue became extremely popular with local people.

Nakamise Shopping Arcade - This is a 300m corridor that leads to the main temple hall. On both side of the corridor, there are many shops dating from the old Edo era. This is the best place for getting unique, traditional Japanese souvenirs and gifts. We highly recommend you do your shopping here.

Rainbow Bridge - The bridge spans 1700 meters, connecting Daiba and Shibawula. It's the landmark of Daiba. There is a beautiful view of Tokyo's harbor from the bridge. The bridge is very popular as a background for Japanese movies and TV soap operas.

Odaiba Pallete Town - This town is located on the shores of Tokyo Bay, and become a hot tourist destination for young Tokyoites in recent years. The automated electric tram, Lilly Sea Gull, Rainbow Bridge, Fuji Television Station etc, are all in this area, and have been used as background for popular Japanese soap operas.

Izu National Park, Jukkoku Pas - This national park's green forests, hot springs, beautiful mountains, and clean fresh air have attracted many tourists year round. Both Hakone and Ito are visible from here. On a clear day, you can even see Sagami Bay, Suruga Bay and Mt. Fuji,

Cable Cars Of Omuroyama - Mount Omuroyama is 581 meters above sea level. The last volcano eruption here happened about 5,000 years ago. Omuroyama has over 100 different wild flowers blooming all year long. The cable car reaches the peak in 5 minutes and you can see the volcano crater from

here. The crater is about 300 meters in diameter, 70 meters deep and about 1000 meters in circumference. From the volcano crater, you can see Mt. Fuji, Hakone, and Ito islands.

Joren Water Fall - The Fall is 25 meters in height and 7 meters wide. It has a beautiful legend and your tour guide will tell you the story associated with the fall.

Izu Odoriko Statue - Mr. Kawahata is the first Japanese writer to receive the Nobel Prize for literature. Ito Dancer is the lead character in his novel and is very popular in Japan. The status was erected to commemorate the dancer in his novel.

Kawatsu Railway - This is a specially designed European style train for sightseeing between Shimoda and Atami. The train has broad windows for passengers to enjoy the scenic coastal sights and a comfortable and relaxing interior.

Shirogazaki Coast - The nine Kilometers long coast was formed by volcano lava and reformed by sea water corrosion. The cliff is a unique rock formation in this area.

Kamakura - Kamakura was the political and culture capital from 1185 to 1333. Kamakura has a number of temples, historic sites and important art works. Kamakura, Nara and Kyoto form the three ancient capitals of Japan.

Kamakura Buddha - The statue, built in 1252, is 11.30 meters high and weights 93 tons. The sculptors who carved the statue purposely made various parts of the face out of proportion; therefore visitors must stand about 4 to 5 meters away from giant Buddha in order to see the Buddha properly.

Yokohama Toy Museum - There are more than 16,000 antique toys made from 1890 to 1960 on exhibit. This museum draws the young and the old alike. You may also find some favorite toys here.
